

Star Trek: Voyager - Elite Force

In EF there are various achievements that can be accomplished. Some of these are already displayed during the game, others are only announced at the end of the match. Here is a complete list of these achievements:

	Bravery	The player most frequently fragged.

Section 31

There is, based on existing graphics and sounds, another recommendation, namely „Section 31“. However, this is designed in the code in such a way that it can never be displayed. Based on the commented lines [here](#) (function CalculateSection31Award) it probably requires the following things at the same time:

- At least 75% accuracy,
- Untouchable,
- Champion and
- Sharpshooter.
