

Armada 1 Federation Repair Team

The Federation Repair Team special weapon of the game [Star Trek: Armada](#) is not actually a weapon. It is a support ability that restores the shields of the target to 50% and at the same time, repairs all of the target's systems. This helps to restore ships and stations considerably faster than normal. It is researched at the [Science Station](#). It looks like this:

It does *not* remove special weapon effects like from the [Sensor Jammer](#) or [Warp Core Overload](#).

Property	Value
Range	300
Build Time	140 s
Supply Cost	10 (4.3/min)
Dilithium Cost	550 (3.9/s)
Special Energy Cost	400

It can only be cast on friendlies.
