

Armada 1 Venture

The *Venture* type ship of the game Star Trek Armada is the Federation's [scout ship](#). It is build by the [Shipyard](#). It can be enhanced with a [Tachyon Detection Grid](#) to detect cloaked ships. As such it is fast, has a large scanning radius but on the other hand it has only a small crew, very limited weapons and rather low shields. These ships are not meant for battle but reconaissance.
