- LAN play: yes
- Lobby search: untested
- Direct IP: untested
- Play via [GameRanger](#): no
- [Coop](#): untested
- Singleplayer campaign: yes
- Hotseat: untested

In the real-time strategy game Z Steel Soldiers you control a unit of robot soldiers. The key to victory here is fast expansion at the beginning, otherwise you will be mercilessly overrun.

Purchasing

[Steam](#) still offers Steel Soldiers.

Installation

The install triad: Install, patch, copy crack over if you don't want the installation disc to be a ball and chain.

Network

I've never seen it on the network before, only on the SP, where I was quite screwed up. But there is a LAN mode.
