Sales

Some games were released by Activision, but after some disputes with Paramount (represented by Viacom) they returned the license for Star Trek games in general. For this reason, those games will no longer be distributed by Activision. Therefore they are not for sale at [GOG](#) or other retailers. Thus, only used trade remains, e.g. via [eBay](#) or [Amazon Market Place](#). These include:

- [Star Trek: Away Team](#)
- [Star Trek: Armada](#)
- [Star Trek: Armada II](#)
- [Star Trek: Bridge Commander](#)
- [Star Trek: Voyager Elite Force](#)
- [Star Trek: Hidden Evil](#)
- [Star Trek: Elite Force II](#)
- [Star Trek: Invasion](#)
