Virtua Fighter 2

Information

Virtua Figher 2 is a by the book beat-em-up game and therefore only playable for 2 players at the same time. If so, you can only play tournaments on LAN. In any case the key assignment is „fun“ and after a certain time the wrists don't feel unchallenged. 

Purchasing

It's hard to believe, but this ancient game is still available at Steam. However, two characters and a game mode seem to be missing.

Installation

There doesn't seem to ba a patch or a crack for the game. So you have to insert the CD or mount an image.

Network

The game is playable as Hotseat as well as via LAN.
