- LAN play: yes
- Lobby search: untested
- Direct IP: untested
- Play via GameRanger: no
- Coop: untested
- Singleplayer campaign: yes
- Hotseat: untested

In the real-time strategy game Z Steel Soldiers you control a unit of robot soldiers. The key to victory here is fast expansion at the beginning, otherwise you will be mercilessly overrun.

Purchasing

Steam still offers Steel Soldiers.

Installation

The install triad: Install, patch, copy crack over if you don't want the installation disc to be a ball and chain.

Network

I've never seen it on the network before, only on the SP, where I was quite screwed up. But there is a LAN mode.
